

### **April public meetings will gather feedback regarding outdoor recreation in northern Wisconsin**

Department of Natural Resources staff will hold three public open houses to gather input regarding outdoor recreation opportunities in the Northwoods Region of Wisconsin. This Region includes Forest, Florence, Iron, Langlade, Lincoln, Oneida, Price, Taylor, and Vilas counties.

The public meeting portion of the Recreation Opportunities Analysis will gather important feedback from the public. Each meeting will run from 4-7 p.m. DNR staff will provide a brief overview of the analysis process at both 4:30 p.m. and 6 p.m. Locations for these public meetings are as follows:

- **Tuesday, April 25** - Arbor Vitae Town Hall, 10675 Big Arbor Vitae Dr., Arbor Vitae;
- **Wednesday, April 26** - North Way Motor Lodge and Banquet, 1113 S 4th Ave., Park Falls; and
- **Thursday, April 27** - North Star Lanes, 400 Prosser Ave., Antigo.

In addition, the public can provide input through a [downloadable PDF](#) or [online form](#). For more information regarding the recreational opportunities analysis and to sign up to receive information about the project and learn how you can participate, visit [dnr.wi.gov](http://dnr.wi.gov) and search keyword "[ROA](#)."

The Recreation Opportunities Analysis will examine existing outdoor-based recreation opportunities and future recreation needs in [eight regions throughout Wisconsin](#). The study will identify future priorities for providing high-quality recreation experiences and the potential role of DNR properties in helping to meet those priorities.

While the ROA process will begin in these nine northern counties, additional regional public meetings will be held and additional opportunities to provide feedback will be made available as the process moves forward across the state.

#### *Northern Highland American Legion State Forest Master Plan*

Information gathered through the Northwoods ROA process will help inform future recreation opportunities on DNR properties throughout the region. The department is in the initial stages of [evaluating recreation needs and opportunities in the NHAL State Forest](#) and will use the Northwoods ROA as a basis from which to develop options to amend the recreation portion of the property's master plan. This amendment will consider changes to several aspects of recreation on the property, including the potential to authorize motorized recreation access.

Established in 1925 to protect the headwaters of the Wisconsin, Flambeau and Manitowish rivers, the NHAL State Forest occupies more than 232,000 acres in northern Wisconsin. The forest provides employment and economic support to local communities through the production of forest products, recreation and tourism.

For more information regarding the planning process for NHAL, search keywords "[master planning](#)" and select the link titled "[Northern State Forests](#)."
