Springstead Healthy Lakes Program by Iron County Land and Water Conservation Department

Conservation Specialist Zach Wilson will present on this Summer's Aquatic Invasive Species Monitoring program.

Come learn how you can be a steward of a healthy lake.

Most, if not all of the following lakes will be included in this program: McDermott, Charnley, French, Boot, Upper and Lower Springstead, Big Musky, Randall, Bearskull, Stone, Little Musky, Mirror

Tuesday June 9, 2015

6:00 PM at Town of Sherman Hall
