

Defibrillator Training  
May 28, 2014

Wednesday, May 28, 2014 at 10:00 a.m. there will be an AED (defibrillator) training for anyone in the township who is interested in learning how to use this life saving device. The Town has received a grant for a defibrillator and this training. It is recommended that members of any of the groups using the town hall on a regular basis be trained.
